PETITION TO WITHDRAW FROM ISSUE UNDER 37 C.F.R. 1.313(c)(2)

Mail Stop Petitions

Commissioner for Patents  
Alexandria, VA 22313

Sir:

Applicant hereby petitions under 37 C.F.R. 1.313(c)(2) to withdraw the above-referenced patent application from issue. Applicant is taking this step in order to file an RCE, filed concurrently herewith, so as to be able to correct the inventorship of the application. Additionally, applicant wishes to submit certain additional references not previously of record.

Although the issue fee was paid on October 12, 2005, there was a delay at the PTO's printing office due to the PCT-903 Form missing. (That form has now been supplied.) Applicant's undersigned representative contacted the Issue Branch on January 24, 2006, and was informed that an issue date has not yet been assigned to this application, and that issuance of this application is "definitely several weeks away." Accordingly, Applicant submits that there is adequate time in which to withdraw the application from issue.
